2 THE ART OF EMBELLISHMENT Yes, your new Prada coat is indeed a work of art, but it's not necessarily one that you can hang on your wall. Artist Christopher Tanner, however, crafts paintings that incorporate sequins, jewels, buttons and all our other favorite elements of the fashion season. The pieces from his show "Ravaged by Romance" (Pavel Zoubok Gallery, New York, February 10–March 12) are instant classics and would look perfect gracing that open space just above the couch.
